NOTES

The Blanc de Gris Rendition #5 reframes one of our signature cuvées. This rendition's inclusion of Chardonnay adds tension, zest and acidity to otherwise notably rich Pinot Gris. Blended from cuvées 100% fermented in barrels this cuvée saw 48% new light toasted American oak. Oaks provides a backdrop of sweetness to this rendition otherwise this leaner and more elegant with citrus and acidity. White florals and fresh baked short bread complement a tight stream of bubbles. We expect the #5 to be a wine of age potential with added complexity between the marriage of citrus and floral.
