TRADITIONAL METHOD

DEMI-SEC ROSÉ

RENDITION 3

SEMI-SWEET

Bubble gum pink, the Demi-Sec Rosé No.3 makes you think of a dream beach vacation with topaz in your glass. A semi-sweet twist on Rosé, challenging expectations with balanced acidity, jucier fruit profile, and a confectionary finish. On the nose, baking notes, and sweet floral nectars combine with ripe red currants to create an Angel food cake with strawberries and cream expression.
