

GRAND RENDITION

The Tirridis Grand Rendition is the answer to many questions concerning Washington sparkling wine. Although a young winery, Tirridis is one full of passion, a simple love of wine, and an ambition to put Washington sparkling wines in the hands, glass, and minds of many. Our Grand Rendition embodies our best grape pickings, press cuts, and barrels. Built solely from silver linings, the Grand Rendition acts as the voice between what Washington grows best and what its consumers connect too. The Grand Rendition No.1 is Chardonnay dominated and 2021 vintage focused. This being the integral release of the Grand Rendition, it offers us all a kaleidoscopic view of Tirridis's past. A refined wine in its own right, but a first step to push further and bring us closer to ultimate quality and encompassment. We are wholeheartedly eager to present our "Tête de Cuvée": The Grand Rendition.
