

The Grand Rendition is the answer to many questions around Washington sparkling wine. Tirridis is a young winery but one full of ambition, a simple love of all wine, and a passion to put Washington sparkling wines in the hands and minds of many. The Grand Rendition hails from our best grape pickings, press cuts, and barrels. Being built out of only silver linings the Grand Rendition acts as the voice between what Washington Wine shows us and what our customers connect too. Spliced between our cosmic ambition and that which grows all around us the Grand Rendition is our “Tête de Cuvée”. The Grand Rendition #1 is Chardonnay dominated and focused about the 2021 vintage. This being the integral release of the Grand Rendition it offers us a kaleidoscopic view of our past. A refined wine in its own right but one to push us farther and drive us closer to ultimate quality.

2.43% 2022
97.57% 2021

99.87% Chardonnay
0.13% Pinot Gris

100% Rattlesnake
Hills AVA

Gold, brilliant and pure the Grand Rendition #1 has flecks of aged glimmer around the bubbles. A fine mousse abundant in streams of bubbles. About the nose of the Grand Rendition is a purity closer to freshly picked citrus tense with sweet juice. The aromatic posture persists on the nose with elegant green zests. The palate is bright with long whisps of acidity. The mouth watering broken up by baked richness from aging against the lees.
